MESSAGE FROM THE CEO

As Covid-19 social distancing and operating restrictions are easing across NSW, I am pleased to share our plans with you for Term 3 programs.

As we have all discovered, things change rapidly in these challenging times. Our response and planning can be impacted by decisions by government and other unexpected events beyond our control. However, we aim to provide you with as much certainty as possible in the lead up to the commencement of your courses.

A Phased Return to Classes in Term 3

With NSW Government restrictions becoming more relaxed, we are aiming now for Stage 2 of our phased return of students and staff to our campuses.

**Stage 1: Term 2 - Intermediate English Zoom Class*

Stage 1 (Term 2 - April, May, June) Online classes only, campuses closed

We have been operating in Stage 1 since April, delivering over 100 classes online to 600 students through Zoom's video conferencing platform.

"I really like this online English class. Before I joined the class, I was even worried about if I can connect to the online class successfully or not. I never used Zoom before... I don't feel a difference compared to the actual physical classroom. I even feel the online class is more interactive, not only in communication but also we can look at each other more closely face to face. We are full of laughs and smiles in the online class." Koken, Student - Intermediate English*

Stage 2 (Term 3 - July, August, September) Online learning continues with a return of some face to face classes

1. Online classes - Classes currently being taught effectively online will remain online.
2. Online classes + face to face workshops - Some courses will include practical workshops on campus in addition to online classes.
3. Face to face classes - Some of our much-loved courses that we are unable to offer online will return on campus for face to face learning.

Stage 3 Online learning + face to face classes

Depending on Government recommendations at the time, Stage 3 will include online classes, practical workshops and interaction opportunities to support learning, plus the return of additional face to face classes.

COVID-SAFE PLAN

Our Covid Safe Plan has always been guided by these key principles:

Your health and wellbeing
– the practicing of social distancing, daily and thorough cleaning, and other health measures to prevent and avoid the spread of Covid-19.

Following advice and direction of State and Federal authorities and experts.

Our Purpose and Values
– Keeping the needs of disadvantaged, vulnerable and high-risk groups foremost in our considerations.

Learning from experience
– Staged changes based on continuing with what's working well and striving to see what more we can do.

As we commence a phased return to face to face classes in Stage 2, all students, staff and visitors accessing our campus and other venues must follow our Covid-19 infection control and building access procedures. These measures have been successfully implemented for some months already.

- social distancing within training rooms and in common areas;
- scheduled class attendance only and individuals by appointment (no drop-ins);
- limits on the numbers of people in any given classroom or daily total in one building;
- strict hand and cough hygiene;
- no attendance allowed for anyone feeling unwell or experiencing any COVID-19 related symptoms;
- no sharing of food, cutlery, crockery, utensils;
- no attendance allowed for anyone recently returned from overseas or a Covid-19 hotspot who has been told to self-isolate.

Our College campuses have multilingual Covid-19 signage, availability of hand sanitiser, soap and cleaning products, as well as daily cleaning of surfaces, and Covid-safe room set-up practices in place.
