

Strategic Plan 2019 - 2021

Empowering 10,000 Better Futures

Macquarie Community College empowers motivated participants to create better futures. Our reach and impact as a sustainable social enterprise builds stronger communities.

OUR STRATEGIC DIRECTION

- We will leverage our current strengths and increase our presence where we can empower better futures
- We will create value through innovation and investment in our programs and services
- We will transform the College into an organisation with a better future because our work transforms lives

2019 TO 2021
