## MESSAGE FROM THE CEO

### Never Stop Learning – Even in Lockdown

At MCC we are committed to lifelong learning and have lots of options for you to stay connected, gain new skills and make 2021 your year of learning!

#### As we look to Term 4 it's still not too late to achieve this goal.

We have been encouraged and inspired by the number of students who have adapted well to participating in online classes over Zoom from home instead of in the classroom.

Our students and staff have risen above all the COVID challenges over the past 18 months, including lockdowns.

### High Performing Provider for Smart & Skilled

We are pleased to announce that the NSW Department of Education has recognised our organisation as a Smart & Skilled High Performing Provider.

This endorsement indicates that we are adopting best practices as outlined in the NSW quality framework and have scored highly in student outcomes surveys that measure completion rate, employment rate and student satisfaction. Thank you to the MCC team for continuing to provide high quality training for the benefit of our students and the community.

### Flexible Options in Uncertain Times for our Valued Clients

Like you, we look forward to a return to face-to-face learning as safely and as soon as possible in these unpredictable times.

We have learned to be flexible, have a back-up plan and respond as quickly as possible to the tightening and loosening of COVID restrictions.

We have scheduled a combination of face-to-face, mixed mode and online classes for Term 4.

As the start dates approach for each class, we will keep you informed about the mode of delivery.

In the event that a scheduled class cannot be run we will be in touch about reschedules, cancellations, credits and refunds.

**For more information on our COVID-safe plan, visit [www.macquarie.nsw.edu.au/coronavirus](http://www.macquarie.nsw.edu.au/coronavirus) or contact our Customer Service Team on 1300 845 888 or [info@macquarie.nsw.edu.au](mailto:info@macquarie.nsw.edu.au)**

## AMBER'S PATHWAY TO AN INCREDIBLE CAREER

Amber's journey to realising her calling started when her friend with cerebral palsy complimented her empathic approach to personal care. Through Macquarie Community College, she studied an Individual Support course and **was offered a job during her work placement**. Now, she works for three disability clients, and has ambitions to strike out on her own as a Disability Provider.

"They're kind, they want you to succeed, and they always show you pathways to further your career," says Amber who was able to **enrol in her course fee-free** under the Smart & Skilled and JobTrainer initiatives.

Read more about Amber's story at <https://blog.macquarie.nsw.edu.au/pathways-to-incredible-careers>

## Fee-Free\* Nationally Accredited Training

Now is the time to take advantage of the **JobTrainer/Skilling for Recovery Program** – eligible students can study fee-free\* at MCC.

As part of the 2021-22 Budget, the Australian Government announced it would commit an additional \$500 million, to be matched by state and territory governments, to expand the **JobTrainer** Fund by up to 163,000 places and extend the program **until 31 December 2022**. There is a focus on upskilling in critical industries like aged care. Read Amber's story on the page before to see how she benefited from the **JobTrainer/Skilling for Recovery Program**!

## Gateway Community High

Gateway Community High is a new independent “alternative” high school in Carlingford and an initiative of Macquarie Community College. We are so proud of the achievements of the students and staff since we opened in January 2021.

The students made the shift in Term 3 to remote learning and the staff are doing a great job supporting them in staying engaged in their learning – even during lockdown.

We are now accepting enquiries for Year 9 and year 10 enrolment at Gateway Community High for 2022. If you know a young person who might benefit from the positive and personalised approach of our small Special Assistance School, encourage them to check out the website and book into one of our upcoming Open Days.

Limited places available for motivated young people who can benefit from our unique service and **Achieve. Belong. Grow**

Our Gateway Community High students have adapted well to remote learning in Term 3. Care packages with components to create a terrarium at home were sent to each student. They continue to amaze us with their creative abilities in making interesting scenes within a tiny space.
